All the way from WALES - MARTYN JOSEPH

**Ever since he wowed us at Stanfest, we've been waiting for an opportunity to host Martyn
on one of his rare visits to the East Coast.**

Martyn Joseph is a performer like no other. Shades of Springsteen, Knopfler and Dave Matthews there may be - but he stands in his own right, built on a reputation for giving what thousands have described as the best live music experience of their lives. One of acoustic music's most arresting artists, the Welsh singer songwriter has been in demand on both sides of the Atlantic for over two decades. Martyn's 25 year career has embraced some notable achievements including 5 Top 50 UK chart positions, with such songs as Dolphins Make Me Cry, Working Mother and Let's Talk About it in the Morning, and appearances and tours with, amongst others, Suzanne Vega, Marc Cohn, Joan Armatrading, Runrig, Clannad, Chris de Burgh, Art Garfunkel, Jools Holland and even Celine Dion and Shirley Bassey.

A Halifax artist will open this show, and we will pass a hat.

Seats are \$20.00 each - plus \$5.00 donation for local artist.

**Sorry we can't offer package deals for the February show
for contractual reasons...**
